Who makes supercapacitor in China?

Kamcapis one of the leading supercapacitor manufacturers in China. We supply high-quality ultracapacitors,including coin type supercapacitor,winding type supercapacitor,combined type supercapacitor,module supercaps,high temperature supercap and hybrid capacitor.

Who is LICAP capacitors?

LICAP is a world-class,market-leading manufacturer of ultracapacitors and lithium-ion capacitors. Through the continuous research and development of new materials and new processes over the years,the company has improved equipment performance and reduced costs.

What makes LICAP a top 10 supercapacitor company?

One of top 10 supercapacitor companies LICAP has always been committed to the development and production of energy storage solutionswith market-leading levels. All along,through continuous research and development and improvement of its own technology,it has met the growing demand for energy storage in the market and various applications.

What is a super capacitor?

The Super Capacitor is a game-changer in energy storage,providing efficient and reliable power solutions for various applications. With its advanced technology,this product offers high power density,quick charge and discharge capabilities,and extended life cycles.

Which SuperCap is best for ultracapacitor?

Kamcapis devoted to the research and development of ultracap and strictly control the ultracapacitor production. Kamcap super capacitor,your best choice for supercapacitor! Coin cell supercaps are from 0.047 Frad 5.5V to 1.5 Frad 5.5V,including type C,type H and type V supercap types.
