

Ukrainian container manufacturers wholesale

What materials are used in the production of big bags (Ukraine)?

For the production of big bags (Ukraine), the company uses high-quality raw materials - polypropylene thread of Ukrainian or foreign manufacturers, as well as special additives that make the thread more reliable and durable.

Why are big bags popular in Ukraine?

The production of big bags in Ukraine allowed domestic companies doing business to use inexpensive, but reliable and versatile packaging in the form of soft containers. Big bags are gaining more and more popularity every year in various industries and agriculture. Such packaging is chosen primarily for its simplicity and ease of use.
